

Need Money for your Business?

**Get a \$5,000 to \$200,000 cash advance
against your future credit card sales!**

***Use the money to stock up on inventory, advertise and market
your business, or anything else you can think of!***

A business cash advance enables you to generate the working capital you need to improve your business without having to negotiate with a bank or worry about long-term credit card interest. Instead, your company may qualify for a cash advance of up to \$200,000 by leveraging an asset you probably have not thought of – your future credit card receivables! A business cash advance is an excellent and often overlooked source of short term financing that you can take advantage of today!

Fast and easy approval process provides quick access to funds!
