Nurit 2085

Terminal

The NURIT 2085 is a reliable POS terminal that enables fast and secure card payment processing. It is easy to use and is capable of handling a variety of applications. It comes ready to process all credit transactions and can be equipped with an external Pin Pad for debit cards. The 2085 is a high performance payment terminal and United Bank Card can add this solution to your business at no cost.

Small Foot Print

The Nurit 2085 has been ergonomically designed to fit the contours of your hand, making it easy to handle. The 2085 is also compact and can be placed on a countertop or mounted on a wall.

Practical Design

The Nurit 2085 features a menu driven interface and a large, back-lit, 2-line by 16-character display. It also features programmable LCD soft-keys and hot-keys for customizable one-touch access to functions and applications.

Comprehensive solution

The 2085 has a fast, quiet, built-in thermal printer and can easily process all credit and debit transactions. The 2085 can also be equipped with an EMV Smart Card reader, check reader and an external pin-pad to accommodate any situation.

Add a Free NURIT 2085 to Your Location Today

The NURIT 2085 is a reliable and easy to use payment solution that can streamline the check-out process at your location. Contact United Bank Card today and find out how you can add this impressive terminal to your business free of charge!
